BOOK 1736 PAGE 0358

The regular meeting of the Board of Supervisors of Bear Creek township was held on January 4, 1993 following the reorganization meeting. All supervisors were present.

ROADMASTER REPORT...Mr. Speicher roadmaster reported the following for the month of December 1992. On ten different days this month, township roads were salted and cindered, a total of 68 tons of material was used. Most of the road problems were caused by freezing rain and more material was used this month than in the same time for the last four years. Some electrical problems were repaired on trucks # 6 and 7 and a ruptured power steering hose was replaced on truck #6. All of the remaining picnic tables and trash barrels used by the soccer league were put under cover for the winter; a transformer was replaced on the oil furnace in the community building and the ridge vent on the community building that had been blown off by high winds was replaced.

FIRE COMPANY REPORT... During the month of December 1992 the Hose company responded to the following emergency calls: 2 vehicle accidents, 2 mutual aid calls , and 1 vehicle fire. The 5 emergency calls required 22.7 hours of volunteer. They enclosed a package of information that summarized the Hose company's emergency calls for the year of 1992. The hose company responded to 107 emergency calls compared to 122 for 1991. 12 structural fires,46 vehicle accidents, 16 vehicle fires, 12 brush forest fires, 11 mutual aid calls, and 10 Miscellaneous calls. They also asked that the following fire ground officers be recognized by the township officals. Mr. Thomas Austin, Fire chief, Frank Dupak asst Chief, Captains Tom McGowan, Ed Jasulevicz and Francis Litchman. Mr. Speicher moved to recognize the officers, seconded by Mr. Gayeski, Vote unanimous.

SOLICITORS REPORT...DER NOTHING, CODIFICATION -waiting for supervisors review to be complete on the maps. BEAR CREEK VILLAGE.. Nothing new, waiting for court review. BLINKER LIGHT...The secertary was instructed to contact Mr. Oldershaw regarding apending claim on the accident. The secretary was instructed to forward information on the police report to the solicitor report.

US POSTAL SYSTEM... The township received a ltr from the postal system regarding the zip code in our township. The secretary stated she forwarded the information to the zoning officer , as he was the one who set up the mailing system in our township in the past.

SOLID WASTE... The solicitor stated we should require all the collectors to pay a fee and keep records, or we will be responsible to keep the records where we take it. The solicitor stated he would get an ordinance for our review.

EMERGENCY SERVICES - COUNTY - BEAR CREEK LIONS...A motion was made by Mr. Speicher and seconded by Mr. Gayeski to enter into a contract with the county and the county emergency services to provide emergency services to the Bear Creek-Bucks ambulance organization as per agreement. Vote unanimous.

TURNPIKE BRIDGE... Ltr was received from the Pa turnpike comm regarding contract on turnpike bridge No.Nb-625. This bridge is located in Bear Creek township Kidder township and carbon County. The project should be completed around June 25, 1993.

MEETING TRAILWOOD LAKE...The township received a ltr from Penn Dot Dunmore branch requesting varification of meeting as per our request on the Trailwood lake matter. The supervisors gave the secretary some dates and told her to contact Penn Dot and set a date as per our review.

MAIL BOXES...Mr. Speicher stated the township has the same policy as Penn Dot in regards to replacement of such articles. Mrs. Oldershaw stated her findings on right of way. She stated till this day Penn Dot has not replaced several trees or fixed the driveway project they worked on this year. Everytime she go in or out of her driveway she hits bottom of her car. She also stated the fire department did a great job on the accident by her home recently.

BUILDING ....The zoning officer forwarded a report to the supervisors stating 24 new constructions for the year 1992.

RUNNERS AND WALKERS RACE...The Primitive Methodist Church request permission to use 1.55 mile portion of Pittston Blvd to hold a race for Runners and Walkers on March 6th at 9:30 AM. Rev. Reginald Thomas stated in his letter of December 30, 1992 that the Pa State Police would provide all necessary traffic control. He also stated Penn Dot Mr. McCabe classifies the event as a parage and requires a ltr of notification which includes the approval of local authorities which would be Bear Creek Township. The supervisors asked the solicitor for his review on this request and found no problem. The superivsors were in agreement to permit this acitivity.

POPPLE-TRAILWOOD II SUBDIVISION.. This matter was discussed and the engineer reviewed the matter as per our request and made several comments. Mr. Gatcha stated when they came before the planning board he also informed them they may not bet a permit. Mr. Gayeski was not in agreement with the findings as per engineer. The attorney felt we should forward the ltr along with a cover ltr. All supervisors were in agreement to forward ltr stating attached are findings as per August engineering.

POLE BARN...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to pay for additional work on the back wall as approved and agreed at the December 28, 1992 meeting. This matter was verbal approval pending written submittion by the township engineer.

JANUARY 25, 1993 SEMI MONTHLY MEETING

The Semi monthly meeting of the Board of Supervisors of Bear CReek Township was held on January 25, 1993 at 7:30 PM. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred J. Speicher . Salute to flag follwed.

PP&L ....A discussion was held regarding the placement of street light as per Mr. Gobers request. The secretary was instructed to forward the necessary forms to begin this project.

APPROVAL OF MINUTES...Mr. Speicher moved to approve the minutes of December 28 and January 4 reorganization and regular meeting as corrected. Vote seconded by Mr. Gayeski. Vote unanimous. Mr. Gayeski corrected the matter relating to Mrs. Oldershaws complaint and stated she should contact Penn Dot regarding a claims form. (January 4 1992).

VICE CHAIRMAN...Mr. Speicher moved to appoint Mr. Gayeski as vice chairman, seconded by Mr. Gatcha. This matter should have been part of the reorganization meeting and was not brought up. Vote unanimous.

OLD FORD ROAD- AUGUST ENGINEERING...The township received a ltr from Mr. Westawski of August Engineering regarding clarification of the Old Ford Road project. Mr. Gayeski stated the delay was the present budget figures. He felt we should forward a copy of the engineering report to Musto to help get grants for this project. A discussion was held regarding this matter. A motion was made by Mr. Speicher to push forward and authorize August engineers to do the remaining engineering work on Old Ford Road. Motion seconded by Mr. Gayeski. Also a scope of work would be provided in writting before work started. Vote unanimous.

AUDIT FIREMENS RELIEF...A discussion was held on the report of the volunteer fire department audit. The report stated they spend approximately $4,000 unauthorized under the rules and regulations of the fund. They were told to reimburse fund. Mr. Speicher asked do we have to act on this. The secretary stated since the money comes to the township for our disbursement to the fire department, we assume we received notice regarding the disbursements.

JUNK CARS...A discussion was held regarding the procedure for an ordinance to be considered by the township. Mr. Gayeski felt we should consider registering the vehicles now on the property anything after that would be effected by the ordinance.

JANUARY 25, 1993 SEMI MONTHLY

SOLID WASTE MANAGEMENT...Mr. Gayeski stated he attended a seminar today regarding this particular matter and informed the supervisors of his findings. A discussion was held on this matter. Mr. Gayeski felt the individual hauler would keep records and we could get the information from them when needed.

BIG BASE LAKE...Mr. Speicher asked Mr. Westawski if he would mention to DER how they allow Big Base lake to empty fluids into the Delaware water shed. Mr. Gatcha has brought this matter to the township in the past and asked we take some kind of action on this. Mr. Gatcha stated he delivered plans from the architects regarding this matter. This might help us in the future. Mr. Gatcha stated the plans are in DER office right now.

The Regular meeting of the Board of Supervisors of Bear Creek Township was held on February 1, 1993 at 7:30 PM. Chairman Michael Gatcha presided with supervisors Tyrone G. Gayeski and Alfred J.Speicher. Atty Peter Hoegen was also present. Salute to flag followed.

DISBURSEMENTS...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve disbursements as presented. Vote unanimous.

RECEIPTS ...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve receipts subject to audit.

ROADMASTER...Mr. Speicher roadmaster, reported fifty six tons of anti skig and salt were spread on township roads on 11 different trips during the month due to icy conditions. Street signs and an "Entering Bear Creek Township sign were installed at Pittston Blvd and Bald Mt. Road. At 2 different times, the beaver dams on Trailwood Pakr pond were broken up. On January 14, Mountaintop John Dere co., delivered the two new John Dere garden tractors and picked up the used tractors as trade ins. Sixty more ton of anti skid was delivered by the suppliers. Truck #4 was inspected, had some spring leafs replaced and the oil and filters changed. Truck #6 was greared and had a new plow edge installed. All truck cabs were waxed, all trucks were steamed cleaned and the back hoe was greased.

FIRE CO...Mr. Austin fire chief, reported for the month of January 1993 2 motor vehicle accidents, 1 vehicle fire, 1 mutual aid, 1 standby at station and 1 miscellaneous calls. Theses 6 calls required 57½ hours of volunteer time. The fire department also reminded the residents of the emergency number for the hose company 824-9944. All old phone stickers should be discarded.

SOLICITORS REPORTS:

DER...nothing new

BEAR CREEK VILLAGE...nothing new
COUNTY REFUSE...Atty Hoegen stated we should review ordinance he now submitted and consider designating the county Landfill because it is not mentioned in the ordinance. Mr. Gayeski stated this issue is still in court and gave the statistics. This matter was discussed in length as to reporting issue of the records to be kept and who responsibility it is to maintain the records. The solicitor felt the township should not have to keep records on this matter. Mr. Gatcha brought up about the out of state haulers. This ordinance could be part of our codification.

SCHOOL BLINKER...Atty Hoegen stated he has received the necessary papers from the secretary and plans to file actions in the near future on the individuals if payment is not received soon.

MUNICIPAL GOLF COURSE SIGN...The solicitors stated to his understanding the authority has filed an appeal against the zoning regarding the sign issue of December 1991. We have not received any legal papers as of yet and he plans on getting copies as soon as possible. The legal papers were served to the zoning officer in February 1992 to our understanding. The secretary asked why the township supervisors did not receive a copy of this complaint since we are the head of the municipality. He stated since the zoning officer is an officer of the township, then the township has been served.

SUBDIVISION...Tavaris...The supervisors reviewed the submittion of Frank Tavaris subdivision. The matter was reviewed and comments from the county were considered. Mr. Tavaris was given a copy of the county reply and told to answer them. Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve the subdivision pending additions to the subdivision as stated on the letter received from the county and provision of the township block for signature. Vote unanimous.

ZONING ...Wasilewski complaint...Atty Hoegen stated he spoke briefly with atty Mattern and he is not sure what atty Matter is questioning about the ordinance. He felt Mattern is questioning weather the ordinance gives jurdistiction to the zoning hearing board. Atty Hoegen felt it should go back to the zoning hearing board and he would review the matter again with him. He stated if an individual disagrees with the zoning officer, then it goes to the hearing board. Mr. Speicher stated if we have to pay again for an attorney and stenographer they should hear it this time.

EMA...Ltr was received from the EMA director Mr. Keats regarding updating of the townships present plan to meet the new requested guidelines provided by the PEMA. This will take approx three months to complie and must be approved by the township superviosrs. He also asked that Mr. William Sennett Jr be appointed as Deputy EMA coordinator for the township. Mr. Gayeski moved to appoint Mr. Sennett Jr as Deputy EMA as per MR. Keats request. Seconded by Mr.Speicher. Vote unanimous.

ZONING HEARING..Mr. Wasilewski asked if the superivsors could give him a letter stating he should go back to the zoning hearing board. Atty Hoegen stated he would contact Atty Mattern and inform him of the decision made by the board of Supervisors regarding this matter.

BK538/70

SIGNS...Mr. Gatcha gave the supervisors information regarding the pending sign structure he presently is researching and again stated how he felt this structure would help all the organizations and the township in the future. He felt the sign issue is always brought up at some board meeting and this would help resolve the matter. He also felt we could honor the vets with a plaque. He did not feel the motorists would have a problem looking at the sign in this particular location.

TRAILWOOD LAKE ROAD...Mr. Nattrass asked the supervisors for an update on the Trailwood lake matter. The supervisors informed the public that the supervisors would be meeting with representatives from Penn Dot, Kanjorski office and the Municipal authority to discuss this matter. This discussion would be closed to the public, but would be announced at the next meeting as to the results.

NEWS ARTICLE...Mr. Gatcha stated an article has recently appeared in the newspaper regarding the reorganization meeting and etc. He stated he did ask for citizens input and felt they should participate since this is their township. He also stated in the article a special thank you to the fire company and ambulance organizations for a job well done. He stated he did get some inquires regarding this article and that was why he is discussing the article.

SUBDIVISION...Mrs. English asked the proper procedure regarding subdivisions in the township. Mr. Gatcha informed her they must first go the zoning officer to file and application, then it goes to the Planning Board.

TRAILWOOD LAKE..Mr. Walker asked if the Trailwood Association had any engineering studies on their roadway. Mr. Gayeski informed Mr. Walker that the road is a public road and that is why the township is meeting with Penn Dot. It is owned by the city of Wilkes Barre. The township has not paid for any engineering study for this road, or has dispensed any monies relating to the roadway.

He also asked why are the supervisors getting involved in this. Why don't they have their own lawyers. Mr. Gayeski stated they are residents of the township and they are making complaints. Mr. Walker felt the Bear Creek Association has requested things and has been shut right off. Until the roadway is brought up to specifications in the Village the township can not accept them.

E353/10

The Semi monthly meeting of the Board of Supervisors of Bear Creek Township was held on February 22, 1993 at 7:30 PM. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

MINUTES..Motion was made by Mr. Speicher to approve minutes of January 25, and February 1, 1993 as corrected. Vote seconded by Mr. Gayeski. Vote unanimous.

SUBDIVISION ...BEAR CREEK REALTY...Mr. Speicher stated this parcel is just a piece that was never sold. It is not contiguous with all their other land that is located towards Edwards Hill. It would need subdivision approval noting that it is a land enchancement. Mr. Gatcha noted that this subdivision was not handled in the proper procedure and he did make note of the procedure with the surveyor Mr. Dilley. All subdivisions must go to the zoning officer planning board and the Board of supervisors. At that time they will be forwarded to the county for review and final approval comes from the Supervisors. A note was made that no block was provided for supervisors signature. Mr. Speicher moved to approve subdivision pending the necessary provision of the signature block. Vote seconded by Mr. Gayeski. Mr. Speicher felt that prehaps we should make the developers submitt their subdivisions a second time with the necessary fees when procedures are not followed. This would help eliminate the confusion with all the boards.

PENN DOT SIGNS... A ltr was received from Penn Dot regarding responsibility of placement of street signs. They stated street name signs are the responsiblity of the municipality and not Penn Dot.

BEAVER DAM..Ltr was received from DER regarding the complaint from Mr. George Turner concerning flooding on his property. They felt Mr. Popple was not causing the problem, that prehaps the problem is from a beaver dam downstream of the Popple road embankment. Mr. Gayeski stated the game commission plans to extend the trap season. Mr. Speicher felt we never received a written complaint from Mr. Turner, Mr. Gayeski stated he talked to him and told him to forward a ltr to Hassay and felt also that the Popple was not the cause of Turners problem.

OLD FORD ROAD...ENGINEERING STUDY...A lenghty discussion was held on the future of the Old Ford Roadway. August Engineering submitted a Cost Estimate of $13,900 for Engineering fees related to the Old Ford Roadway. Mr. Gayeski felt once we get the plans, we then send then to Musto and see if any grants are available. All supervisors were in agreement no paving would be done at this point. We have not received any final notification from Penn Dot regarding the final acceptance of this road on their behalf. Mr. Speicher and Mr. GAtcha were not in agreement to do the study at this point until final approval from Penn Dot. Mr. Gayeski felt we must do the study to show what we are planning to do in the future.

SEPTIC ...Mr. Gayeski felt we must come with some administrative system this year or next year, hire someone at a reasonable rate to do this. A discussion was held as to where and how this person would do the work. Mr. Speicher felt we can do this much easier than stated. The county could insert a tab on the tax bill and handle it in that manner. A lenghty discussion was held on how it could be handled.

ACT 222. .. MR. Gayeski stated he attended a seminar this month on Act 222 which involves the hookup of electrical services to a new residence. He stated a form must be filed with DCA before final hookup. At the present time hearing are being schedule on this matter.

Mr. Gayeski stated he talked to Mr. Wasilewski zoning officer regarding this matter. The secretary was instructed to forward a copy of the resolution pretaining to this particular matter. A procedure was also discussed regarding the varification of signatures from property owners on the this resolution.

COMMUNITY DEVELOPMENT...Mr. Speicher stated we needed another appraisal review for the county on the pending appraisal. This is procedure. He is working with Community Development to finalize the project.

SOCCER...Mr. Zindell requested the use of the field for soccer April 18-30 which would be approximately four Sundays. The supervisors were in agreemtn.

TROUT SEASON...Mr. Zindell also discussed the pending trout season for the children of the township. He talked about fund raisers and etc. Mr. Gayeski discussed future donations and possible cut back on the amount issued to this particular event. He also discussed picnic tables and etc.

ROADMASTER REPORT...Mr. Speicher roadmaster reported, ninety one tons of material was spread on slippery roads at seven different times during this month. vehicle repairs included repairing the back up alarm on truck #4; changing the oil and filter on truck #5; replacing the drive belts on clutch pump unit; repairing the material spreader; replacing the hydralic filter and hose and replacing the cutting edge on the plow on truck #6 and replacing the cutting edge and adjusting the plow; replacing the plow guides and replacing the headlight on truck #7.

Two smashed locks were replaced on the light timer box in the boiler room. The backhoe and crew removed a beaver dam at Trailwood Park and cleared some twp road intersections due to a heavy buildup of snow from plwoing . Spot lights and overhead bulbs were replaced at the community building. The water softener were serviced twice. This was the worst February on record in the log book since the book was started some 20 years ago by Mr. Burridge.

DER,CODIFICATION, BEAR CREEK VILLAGE, SCHOOL BLINKER, ...Nothing changes since last meeting.

FIRE COMPANY SIGN....Atty Hoegen stated to his understanding the solicitor for the zoning board is reconsidering his analysis,but that the whole issue may be because the sign has been taken down. Mr. Gatcha state it is still the princpal the atty felt this case may not be the one because the sign is now removed and we can't test the principal. We just have to waite at this point. Mr. Gatcha stated this has cost the township money regarding the atty fees and etc. He state it merits a response. Mrs. Wasilewski felt the length of time the issue has been at hand over regulates the law which should be in their favor. She felt this issue was held over due to other circumstances relating to the favor of the fire department. Not relating to the Board of Supervisors. She also noted it (the sign was taken down day before the zoning hearing .) She also stated when the sign was put up in front of the township bldg, a big issue was caused, but when it was located down the road a few hunder feet it is ok. She contacted the zoning officer and he stated the supervisors were in agreement the sign was ok. She stated she did not know if he stated all supervisors or one supervisor. Mr. Wasilewski felt his rights were violated and he is being discrimination at this issue.

SIGN ISSUE...Mr. Wasilewski stated the zoning officer feel they are a community activity and they are exempt from zoning, Mr. Wasilewski (jr) stated the township superivors are not exempt from zoning to his knowledge. Mr. Gayeski stated they would address during our codification.

Run Walk Race 5K.....The secretary stated a Ltr was received from Penn Dot regarding the liability on the race. At this point the township had to submitt papers to Penn Dot and the state police regarding authority. The township would now assume all responsibility regarding liability. Mr. Gayesk felt this matter should have been reviewed by the insurance co. prior to the race. In the future the insurance comp must be notified.

SCHOOL BELL...Mrs. Oldershaw nothing new. No one knows where the bell is.

NUCLEAR WASTE....Mr. Gatcha felt we should send a ltr to the county regarding the seminar he attended recently at the Woodlands. Mr. Gayeski felt we should send a ltr directly to Chem-Nuclear rather than the county. Mr. Gatcha felt we can send a ltr to both the county and chem nuclear. Mr. Gayeski would prepare the letter.

BEAVERS...Ltr received from Mr. Barry Warrner regarding the Turner property and the beaver matter.

SEMINARS...Mr. Gober stated the supervisors attend seminars and never report their findings. Mr. Gayeski stated everytime he attends a seminar he makes a report. Mr. Gober must miss the meetings in which he makes his reports. Mr. Gayeski stated it is legal for the supervisors to attend the seminars and be reimbursed for it.

POPPLE SUBDIVISION...The secretary stated the SEO has contacted her (MR. Egenski) regrding this subdivision and he stated that this is not an approved subdivision and no permits are to be issued for a building . Mr. Popple has paid his engineering fees todate.

DOG SHOW...The supervisors approved the dog show for August 8, 1993. This function will be party of twp activities until or when the Village becomes a borough. All supervisors were in agreement.

EXPENDITURE ....Motion was made by Mr. Speicher and seconded by Mr. Gayeski to pay bill submitted for the month of February to August Engineers for work relating to Old Ford Road. Vote unanimous.

STREET LIGHT...A street light will be installed later this month as per request of Mr. Michael Gober of Mt. Lake Meadow Run Area.

MARCH 22, 1993 SEMI MONTHLY MEETING

The Semi Monthly meeting of the Board of Supervisors of Bear Creek Township was held on March 22, 1993 at 7:30 PM. Chairman Michael Gatcha presided with supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

FIRE CO. BAZAAR...The supervisors received ltr from the volunteer fire company regarding use of the township recreation facility for August 20, 21 and 22 for the annual bazaar. The supervisors gave permission for this request. A letter would be forward to the department as per the supervisors instructions and also all certificates of insurance would be provided by the company.

DER - BURGER COMPLAINT...The secretary stated a letter was forwarded to the township regarding a pending issue on the July Burger property located on the Thornhurst road. This matter would be forwarded as per DER instructions to the SEO for further investigation.

AUDIT...The auditors of Bear Creek Township forwarded the completed 1992 audit for the supervisors review. A motion was made by Mr. Speicher and seconded by Mr. Gayeski. Vote unanimous. A ltr was also forwarded to the supervisors by the auditors regarding an audit trail when varifying the zoning officers financial reports. They informed the supervisors DCA stated it is not acceptable to receive cash in any manner. They also felt a monthly report should be submitted along with the fees. A ltr would be forwarded to the zoning officer regarding this matter.

BEAR BUCK ...The auditors felt the supervisors should solicit the other municipality who participate with the ambulance, baseball, and etc. The township will have to consider this type of action due to increasing cost with insurance and maintenance of activities. All superivsors were in agreement. A ltr would be forwarded to PSATS regarding municipal cooperation on such activities.
FIRE DEPARTMENT... The township fire department submitted a list for the year 1993 regarding newly elected officers.

OLD FORD ROADWAY...Mr. Westawski stated the survey should be completed this week

CODIFICATION...The solicitor informed the secretary he would forward the final review within the next week or so.

MARCH 22, 1993 SEMI MONTHLY MEETING

REGULAR MEETING SCHEDULED FOR APRIL 12, 1993. The supervisors would be in Harrisburg on the 4 -7 of April for the annual convention.

The Regular meeting of the Board of Supervisors of Bear Creek Twp was held April 12, 1993 at 7:30 P.M. Chairman Michael Gatcha presided with supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed. Atty Peter Hoegen was also present.

APPROVAL OF MINUTES: Motion was made by Mr. Speicher to approve minutes of February 22, March 2, and March 22, 1993. Vote seconded by Mr. Gayeski. Vote Unanimous.

DISBURSEMENTS: Motion made by Mr. Speicher and seconded by Mr. Gayeski to approve disbursements as read. Vote unanimous.

RECEIPTS: Motion made by Mr. Speicher and seconded by Mr. Gayeski to approve receipts subject to audit.

ROADMASTERS REPORT...Mr. Speicher roadmaster, reported thirty eight tons of material was spread on six different daysand for seven straight days, snow was plowed and, in some instances removed, during the blizzard of 93.
Truck# 6 had the cutting edge replaced on the plow. Truck #4 and #7 had complete maintenance, oil changes and greasing. Burned out bulbs were replaced at the community building and the water softner was serviced twice. In checking our winter log back to 1986-87, the twonship equipment was plowing and cindering roads approximately 24 times a season. In 1992-93 snow season the plow equipment was out fourty two (42) times.

SNOW DISASTER: The secretary stated Mr. Speicher roadmaster, EMA Christopher Keats and she attended the update on federal funding for snow removal at the county comm center last week. The township may received up to 75% funding for the cost incurred by the township for the blizzard.

EMA...Mr. Speicher stated he had been updated by the EMA directed as to the conditions of the roadway by the Dam and Mr. Keats would be monitoring this site.

DER...Solicitor stated nothing new.
CODIFICATION...New revision of updated zoning for our review.
SCHOOL LIGHT...Nothing todate.

BERGER COMPLAINT...The township received a complaint from Mr. Miholick of Meadow Run Thornhurst road regarding sewage leak on this property. He stated the sewage is coming from the Berger property. A lenghty discussion was held regarding this matter. The secretary update the supervisors regarding the SEO part . The Supervisors stated the solicitor and the SEO should get

together and resolve this matter. Mr. Gober made the original complaint last year on this matter and the township has been working on it. The solicitor would find out who is the owner of the property and taken immediate action .

BEAR CREEK BOROUGH...A ltr was received from the solicitor stated the Supreme Court denied our allowance of appeal therefore confirming the earlier order of the court of Common Pleas of Luzerne County and the Commonwealth court of Pa. This matter has been concluded and in the ordinary course, Bear Creek Village Borough will be formed. A discussion was held on this matter. Mr. Walker felt all we got was a shaft. He felt we should contact the ACLU and ask what they can now do to help us, due to the manner in which this was handled. Mr. Gatcha felt sorry for the individuals who did not want to belong to the borough. Atty Hoegen stated he did not know if they are a borough. Until we receive official notice Mr. Speicher stated we would treat them as part of the township pertaining to Planning Zoning and etc.

BOOK 278 PAGE 353

POPPLE SUBDIVISION..Atty Hoegen stated he had been contacted by the atty for Mr. Popple regarding his subdivision in Trailwood. The secretary updated the supervisors and the solicitor regarding the action taken on this matter. Mr. Johnson SEO for The White Haven area came in and tested the soil for Mr. Popple which was not our agreement. He did not followed procedure in regards to issuing a permit. Mr. Egenski did perform the testing and would be contacted regarding the results. As far as the township was concerned the land did not pass. A discussion was held on this matter and Mr. Popple was instructed to provide DER with all the information they needed and when we received final approved he would be notified.

-CHEM NUCLEAR..A ltr was received by the township from the county recycling coordinator stating he was pleased that Bear Creek Township is showing an interest in this matter.

AUGUST ENGINEERING.. A ltr was received from August Engineering Co. regarding confirmation that they will design Old Ford Road in accordance with Penn Dot Design Recommendations. All supervisors were in agreement.

WORKERS COMPENSATION..Mr. Gayeski stated he would like to forward a ltr to Senator Musto regardng contractors being required to have workers compenstion . He felt this is just another mandate and the PSATS agrees with us.

BALD MT ROAD..Mr. Magdon asked that a sign be put on Bald Mt. Road. Mr. Speicher felt this is hopeless, and the cost is to expensive to constantely replace it. Mr. Magdon discussed the zoning matter on this carport. Mr. Speicher felt he should reapply. Mr. Magdon did ask for guard rails

The semi-monthly meeting of the Board of Supervisors of Bear Creek Township was held on the April 26, 1993 at 7:30 PM. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

FIRE CO PAVING..Ltr was received by the Board of Supervisors regarding a request by the Bear Creek Vol Fire Co. for left over black topping from the township's paving projects to be placed on the driveway of Hose House #1. Mr. Gayeski felt we should review this request between now and the time we consider the project. Noting that the funding involved would be out of the general funds project.

LUZERNE COUNTY SYTEP PROGRAM... The township supervisors were not in favor of joining this project this year. Mr. Speicher felt the township children are in need of these jobs and work hard for us.

LUZERNE COUNTY SINGLE AUDIT GRANT....The secretary stated that an audit is required by the county for the grant received by the township. Mr. Speicher asked why the township auditors could not do this. The secretary stated the law requires this type of audit be completed when we received this type of grant. We must go to an outside source. The supervisors would review this matter and get some prices on this project.

LUZERNE COUNTY COMM DEVELP HOUSING PROGRAM...The superivsors received a ltr from Comm Development regarding this housing project. They agreed not to participate in this project and stay with the program we are already involded in.

PENN DOT...Ltr was received by the township regarding a low clearance overhead railroad bridge which was removed on S.R. 2035(Suscon Road) . They stated a 10 ton weight limit restriction will be placed on April 26, 1993 at this location

MACK SUBDIVISION...Mr. Speicher stated the subdivision ordinance amended on May 1 1984 states subdivisions can be made on private existing roads which do not meet township specifications. All grantees must be made aware by the way of their deeds that it is a private road. Mr. Gayeski stated it was a road placed on a Map and they considered as a pre-existing road. Mr. Speicher stated he would not go for this explanation. The supervisors felt this matter should be forwarded to the solicitor for his review. Mr. Speicher felt this is not a proper subdivision. A lenghty discussion was held on this matter.

BERGER COMPLAINT...Mr. Meholic resident of Thornhurst Bear Creek Township again asked the superivsors the status of the Berger Complaint. He stated he talked to the solicitor today and understands a ltr was forwarded to Mrs. Berger regarding this matter. He asked the supervisors for a copy of this letter and showed pictures of the area in question. The supervisors stated they are working on this matter and understand his concerns. The secretary was instructed

to contact the SEO and the Solicitor regarding this matter and ask immediate action be taken as quickly as possible. A discussion was held on this matter. The township did contact the Board of Health and other agencies along with the county regarding this matter. We are doing all we can as fast as possible.

BOBS TOWING....Mr. Speicher asked if anyone knew the name and address of BOB'S towing on the Thornhurst road. Mr. Speicher felt a ltr should be sent to this resident telling him , he is involation of the township ordinance.

TROUT DERBY...Mr. Zindell updated the superivsors on the derby to be held the holiday weekend. He requested clean up of brush in the pond area. He also stated the fish will be $200 cheaper this year. A total of $640.00.

BEAR CREEK VILLAGE BOROUGH...Mr. Walker again asked the supervisors to help with the appeal to the ACLU on behalf of the residents of BCVillage. He stated he needed the superivsors to prepare a letter to the ACLU updating the case and how it was handled. He felt the atty has a comflict of interest due to his position as an atty in Luzerne county. The secretary stated she contacted the ACLU and they stated to her "the persons who are affected by this should be the ones to appeal." Since the area is already a borough they should be the ones to appeal. The secretary provided the address which should be used to forward the correspondence.

BONNIE J WASILEWSKI
SECRETARY
BEAR CREEK TOWNSHIP

The Regular meeting of the Board of Supervisors of Bear Creek Township was held on May 3, 1993 at 7:30 P.M. Chairman Michael Gatcha presided with supervisors Tyrone G. Gayeski and Alfred J. Speicher. Attorney Frank Hoegen was present. Salute to flag followed.

APPROVAL OF MINUTES: Motion was made by Mr. Speicher and seconded by Mr. Gayeski Vote unanimous. (Mr. Gayeski asked where Mr. Madgon asked for placement of guard rails as stated in the minutes. They were requested in front of his home.)

DISBURSEMENTS: Motion made by Mr. Speicher and seconded by Mr. Gayeski to approve disbursements as read. Vote unanimous. Motion made to pay August Engineers as submitted. (bill was presented late) Vote unanimous by all.
RECEIPTS: Motion made by Mr. Speicher and seconded by Mr. Gayeski to approve receipts subject to audit. Vote unanimous.

ROADMASTERS REPORT: Mr. Speicher stated most of the month was taken up with ditch cleaning and road sweeping. Some new street signs were installed in Forest Park and a fallen tree was removed from a road at White Haven Poconos. Truck#4 had the starter relay replaced and greased fittings changed. New front tires were installed on Truck #7 and the grease fittings were replaced also. The water softner was serviced and filters changed.

FIRE COMPANY REPORT: March 1993 5 motor vehicle accidents, 1 mutual aid, 1 standby at station, 1 medical assist and 2 miscellaneous. They also informed the public of spring brush fire season. Instructing all residents how to burn and use precautions. APRIL: 4 motor vehicle accidents , 9 brush/forest fires, 4 miscellaneous calls and three mutual aid calls. They again stated precautions in burning and stated most of the calls this month were brush fires. The hose company members should be continuing the dry hydrant installation in the very near future and hope to get several more installed this year throughout the twp.

DER - NOTHING NEW
CODIFICATION: Waiting for completion of twp rezoning of maps.
SCHOOL LIGHTS: No new response.
BERGER COMPLAINT...The solicitor stated the SEO has forwarded a ltr to the Berger residents stating they have 10 days from receipt of ltr to correct the situation. Legal action would begin after the 10th day. More than likely an injunction would be necessary. The secretary would contact the SEO and ask for specific information regarding the violation and forward to the solicitor a discussion was held on this matter. The supervisors would move as quickly as possible on this matter.

PSATS-ACLU...The secretary stated she contacted the PSATS organization and they again stated it would be the responsiblity of the persons effected by the result of finding , which would be the residents. They did not feel ACLU could help us. They may be able to help the individuals.

BEAR CREEK BOROUGH...A discussion was held on this matter. The solicitor felt we should send a ltr to the township departments not to proceed with any actions regarding this matter. He would define the matter and report back to us.

POPPLE SUBDIVISION...The solicitor stated he received a ltr from the attorney for Popples subdivision. They have provided the necessary clarification in the deed and now we need DER final approval.

WHITE HAVEN POCONOS...A ltr was received from the White Haven Poconos section of the township thanking the supervisors and the road crew for a job well done.

COMPLAINTS...A complaint was discussed regarding the Cardaro property. This complaint was received by Mr. Michael Gober. He would like the superivsors to look into this matter . He felt this was a commercial business in a residential district. Also brought up was the residence which is located in the same area with BOB's towning. The supervisors asked Mr. Gober and Mr. Micholc if they knew the correct name of the person who has this business. They could not remember his name off hand. The secretary was instructed to contact the zoning officer for specific violations on both of these properties and forward to the solicitor for further action.

May 25, 1993 SEMI MONTHLY MEETING

The Semi Monthly meeting of the Board of Supervisors of Bear Creek Township was held on May 25, 1993 at 7:30 PM. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to Flag Followed.

Approval of minutes: Motion made by Mr. Speicher and seconded by Mr. Gayeski to approve minutes of April 26 and May 3, 1993. Vote unanimous.

Bureau of Census....Ltr was received by the Board regarding a meeting scheduled in Allentown to prepare for the 2000 year census. Mr. Gayeski stated he would attend, he also thought that prehaps Mr. Wasilewski, the zoning officer might attend.

COMMUNITY DEVELOPMENT GRANT...A ltr was received from the county community Development program regarding cooperative agreement. The supervisors signed the agreement as pre procedure.

BEAR CREEK SOCCER...Ltr was received from Mr. Trievel regarding request for use of fields for soccer on July 12-16 from 9A.M. to 1:30 PM. Supervisors agreed to this request.

ATTY BILLING...Mr. Speicher stated the township received a billing from the township solicitor. The supervisors stated in the billing some township residents call the solicitor and we were billed for it. The township supervisors were concerned regarding this matter due to a past experience. Other township residents were instructed not to call the solicitor direct. All concerns must be addressed through the supervisors and then forwarded to him by way of a letter from the township office. Mr. Gober stated he never called the solicitor and Mr. Meholic stated he was contacted by the solicitor. The secretary would varify this matte.

BERGER COMPLAINT..Mr. Meholic complaintant regarding the Berger matter, thanked the supervisors for the quick action taken on this complaint. Mr. Gayeski stated he spent most of the day at the atty office and the court regarding this matter. The billing was close to $5,000.

BOBS TOWING...Mr. Billotti addressed the township supervisors regarding a complaint received by the township on a sign located on his property. He stated he would not take the sign down and he may even put a large sign in its place. Mr. Speicher stated stated to the boards knowledge it is a general nusiance and is a violation. A discussion was held.

MAY 25, 1993 SEMI MONTHLY MEETING

MAGDON...Mr. Magdon was concerned about cleaning of the gutters. He stated he has cleaned the gutters . The supervisor would contact Penn Dot regarding this matter. Mr. Gayeski asked if Mr. Magdon could give us a written complaint regarding this matter.

SIGNS...Mr. Magdon also complained about the sign placement on Rte 115. He said the truck signs are confusing.

GUARDRAILS. Mr. Magdon again asked about the guardrails located by his property. The supervisors would contact Penn Dot regarding this complaint.

BEAR CREEK BOROUGH...Mr. Gober informed the supervisors of a 5% assessment against the township on behalf of the borough. Mr. Gayeski stated he would like to put an article in the township newsletter regarding taxes paid by township residents. Mr. Speicher gave a breakdown of our taxes (5 Mills) Insurances, street lights, road crew and other employees along with 2 mills going directly to the fire department.

893870

SUBDIVISION FEES...Mr. Speicher stated the fees for subdivisions should come directly from the applicant. He noticed legal fees for the subdivision of Anthony Popple matter on the most recent billing.

SHED...Mr. Magdon addressed the supervisors regarding a possibility of placing a small covered area for the children who are waiting for the school bus by his property. The supervisors felt he may not get a permit due to the possibility of a law suit.

JUNE 1, 1993 REGULAR MEETING

The Regular meeting of the Board of Supervisors of Bear Creek Township Supervisors was held June 1, 1993. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred J. Speicher. Attorney Peter Hoegen was also present. Salute to flag followed.

DISBURSEMENTS: Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve disbursements as presented. Vote unanimous.

RECEIPTS...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve receipts subject to audit. Vote unanimous.

ROADMASTER REPORTS...Summer help has been hired and roads were swept. A new street sign was installed at Pittston Blvd and #115. Ditches were cleaned on Hickory Road. At the recreation site, the floor was painted at the refreshment stand and dimatex was installed on the teener and little league infields. Grass cuttings is underway on the ballfields, Trailwood soccer field, the memorial site and Trailwood Park. Brush cutting is also being done. Sand was delivered to the little league area for the little kids. A bridge was buildt at Trailwood Pond near the outlet and new flags were placed throughout the township. The whole twp was spruced up for Memorial Day and the Trailwood Trout derby. Truck #6 had new brakes installed.

DER ....Nothing

BLINKER...Nothing new. Mr. Speicher asked if the light at the school has been corrected. (flashers) The secretary stated she has contacted the school by phone and in writting and nothing has been done. At the present time they are still off.

CORDARO, BILLOTTI COMPLAINTS... The solicitor stated he is still working on the draft for complaint for the supervisors review.

CODIFICATION...Mr. Speicher stated he is still reviewing the maps and will get with the township engineer for final review.

MACK SUBDIVISION...Mr. Mack stated he answered the letter submitted to the supervisors for review by the county. Mr. Speicher stated he questioned the ordinance the township has on pre existing roads. The road was not in existance in 1984 when the ordinance was past and he feels there would be a problem with that particular matter at the present time. Mr. Mack stated the matter of the road did come up at the planning board meeting and Mr. Kresge stated he owned a lot in this subdivision and he bought the lot due to the fact the road was there. Mr. Mack stated the road is shown on the 1959 which was recorded. Mr. Gayeski felt it was fine with him as long as the solicitor felt good about and also he felt the planning board approved it. Mr. Speicher asked if this was a paper road or a physical road. Mr. Speicher stated he remembers trees being cut down a few years to install a road at that location, he felt it may have been a paper road in the past, but there was no existing road there. Mr. Mack stated that is true, but the subdivision was passed

before he got the subdivision and drew it up.(He stated he drew up the subdivision and planning ordinance in 1974). Mr. Mack felt since Mr. Kresge a member of the Planning board said there was a road means something. Atty Hoegen stated the question is weather it is a pre existing road or not. Mr. Gayeski stated he felt what would the courts decide if the road was on the maps in 1959. Atty Hoegen stated it appears to him the ordinance requires the roads to meet township standards, unless it falls under an exception of a existing roadway. Mr. Speicher gave a through explanation of the ordinance on existing and non existing roadways involved in subdivisions. A lenghty discussion was held on this matter. Mr. Gayeski felt the planning board member Mr. Kresge would testify in court that there was a roadway in existance and Mr. Mack has since improved the road since that time. Mr. Gayeski felt the road would be in excellent condition if he handed the roads over in the future. Mr. Gatcha asked Mr. Gober if Mr. Kresge said the road was in there . He answered yes. Mr. Speicher stated he has never seen a road at that location in the past 41 years that he can remember. Mr. Speicher felt he his thinking about the rules and regulations and for future development. If it meets the rules and regulations as per our ordinance, which he felt it did not at this time. Mr. Speicher felt what if Mr. Mack sells the property and someone else owns them. It will be another Trailwood Lake and etc. Mr. Gayeski agreed with the respect to developments coming to the township and asking for services on their private roads and we can't provide them. Mr. Gayeski made a motion to approve the subdivision of Mr. Thomas Mack as per approval of the planning board and also the letter submitted by Atty Mack be made part of this record. Mr. Gatcha called for a second. Mr. Gatcha seconded the motion. On the vote Mr. Gayeski yes Mr. Speicher no and Mr. Gatcha yes. Vote passed.

LICENSED HAULERS...Ltr was received by the township regarding a list of licensed haulers in Bear Creek Township. Atty Hoegen stated we never created an ordinance regarding licensed haulers. Atty Hoegen felt we need an ordinance to make the haulers keep records and also an ordinance telling them to make their records available to the township

NATTA...Mr. Gayeski stated the regular meeting should be on schedule for the month of September. The Natta convention in Washington is scheduled for the following wednesday, after our regular meeting.

RECREATION....Mr. Gayeski stated 159 children attended the trout derby last week. Five hundred people total and 99% of the comments were positive. He felt the area looked outstanding. The bulldozer driver did his best on leveling the rock.

SEMI MONTHLY MEETING...Tentatively is scheduled for the 24 of June.

BOOK 278 PAGE 093

BLINKER LIGHT MEADOW RUN ROAD...Mr. Gober stated the blinker light on the Meadow run/Rte 115 roads needs to be repaired the light is not blinking. The secretary was instructed to contact the contractor to look at it.

WATER SYSTEM....A representative from ALB/SAF informed the township of all the mailing address in our township. He plans to forward a ltr to the residents regarding his system for saving water. A discussion was held on the mailing list and number of residences. He did present a ltr to the township for their review. He plans to forward this letter to the residence. Mr. Speicher was concerned regarding the parts in the letter where it said to contact this organization. The letter was given to the solicitor for review and comments. Mr. Speicher was concerned about possibile liability if the individuals had a problem with the system and did not want the responsibility of possible suits. Mr. Gayeski felt this is a positive action on behalf of the board and agreed the solicitor should review it. Mr. Oldershaw wanted an update as to how this action came about, because she was not in attendance for the past two meetings. She was updated by the representative from this firm. She felt this is only one of many concerns and did not feel this would be fair to others. A discussion was held.

SEWAGE...Mr. Gayeski stated an article was in the PPA newsletter and stated the matter regarding act 228 sewager facilities act. He read it aloud. He asked to forward a ltr to Hasay and Tigue saying we disagree with these findings. Supervisors were in agreement. At the present time this act is in the house and not the senate.

MACK SUBDIVISION...Mr. Mack asked Mr. Gatcha to sign the maps. Mr. Gatcha felt the maps were incomplete and had no block for signature. Atty Hoegen felt the county would not accept the maps as they are, he felt a mylar should be corrected and should be submitted. Atty Mack stated the document has been complete, but the completed mylar needs to be submitted and have signatures put on and recorded. The attorney instructed Mr. Gatcha to waite until the mylar is submitted as per our request and everyone could sign it and then recorded. Mr. MAck wanted one of the maps signed now so he could record it and then he would present the mylar to the secretary for signatures. Mr. Gatcha sign the maps as presented.

CABLE TV...The secretary was instructed to contact the service to have the lines repaired.

JUNE 29, 1993 SEMI MONTHLY MEETING

The Semi monthly meeting of Bear Creek Township was held on June 29,1993 at 7:30 P.M. Vice Chairman Tyrone G. Gayeski presided with supervisor Alfred J. Speicher. Mr. Gatcha was not present. Salute to flag followed.

APPROVAL OF MINUTES : Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve minutes of May 25 and June 1, 1993 as prepared. Vote unanimous.

ZONING VIOLATION: A ltr was forwarded to the township by atty Hoegen for review on pending zoning code violations to property owners. This letter is to be reviewed by the zoning officer and action taken as soon as possible. All Supervisors were in agreement.

WATER SYSTEMS ALB/SAF....A ltr was forwarded to the solicitor for review regarding the pending water savers issue. The supervisors were concerned not to have a relationship between the company and the township. The atty prepared a ltr that he believed would adequately protect the tonship from any claim that the township is selling a product for a private company. A discussion was held on the zip code system that would be used to forward the letter.

TIPPET COMPLAINT...Mr. Gayeski stated he had been contacted by Mr. Tippet regarding culvert pipe cleaning. Mr. Speicher asked the secretary to contact Penn Dot regarding culvert pipe cleaning policy for our records.

CABLE TV DISHES....Mr. Gayeski was concerned about the tv dishes used for cable tv. He felt we should research this matter and state if they are used they must be constructed in the back of properties.

SIGN...A resident of the township stated the sign placed in the Meadow Run area was placed on the wrong road. This sign relates to the Wilkes Barre Settlement Camp. Mr. Speicher stated he would contact the road crew regarding the correction.

MAGDON COMPLAINT...Mr. Magdon thanked the supervisors regarding the recent letter they forwarded to Penn Dot on his complaints. He stated they have talked to him and he is satisfied with the results. A discussion was held on the speed limit signs and the rules for yellow and white signs.

Bear Creek Township
Board of Supervisors

BK0870 PG0568

The semi monthly meeting of the Board of Supervisors of Bear Creek Township was held on July 29, 1993 at 7:30 P.M. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred Speicher . Salute to flag followed.

Approval of minutes...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve minutes of June 29 and July 6, 1993 as prepared and corrected. Correction in minutes (Mr. Gayeski stated he did not receive a complaint from Mr. Tippett this was a pending matter and was brought to our attention regarding culvert in front of Mr. Tippetts home)

ZONING HEARING...Mr. Gatcha moved to appoint Mr. Henry DAmato to the zoning Hearing Board to replace the unexpired term of Mr. Robert Hoover who resigned. Seconded by Mr. Gayeski. Vote unanimous.

VACANCY BOARD...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to appoint Mr. Edward Croughn to the vacancy to complete unexpired term of Mr. Robert Hoover who resigned. Vote unanimous

PLANNING BOARD...A Discussion was held on the replacement of Mr. William Tanski who must be replaced on the planning board due to his residence in the Bear Creek Borough. Mr. Ronald Knorr would be next in line. Mr. Gayeski moved to appoint Mr. Ronald Knorr on the Planning Board. Motion seconded by Mr. Speicher. Vote unanimous.

WHITE HAVEN SEWERS...Mr. Gayeski stated he read an article in the paper regarding White Haven sewers. They started off just with a system to take care of the borough and now its up to 3.7 million loan to increase capacity.

RECREATION AND EDUCATION BILL...Ltr was received from Senator Musto regarding a bill on recreation and education. Letter was read aloud.

FINANCIAL STATUS...Mr. Gatcha was concerned about our financial status. He stated many communities are having a problem with their finances. He felt we should investigate and research the matter regarding the pending issue of a claim on the township from Bear Creek Borough for money. Mr. Speicher felt we should have professional people to study this matter. All were in agreement to contact Berkheimer, postal syste, registration, and our tax collector for information to get this matter started.

SICKLE BAR MOWER...Mr. Speicher, roadmaster, informed the supervisors he had been researching the matter of purchasing a sickle bar mower to help the road crew with the shoulders. A discussion was held on this matter. Motion was made by Mr. Speicher and seconded by Mr. Gayeski to purchase a 5 HP 42" sickle Bar Mower at Mt. Top Lawn Tractor for $1,169.69. RECEIPTS Motion was made by Mr. Gayeski and seconded by Mr. Gatcha to approve receipts subject to audit. Vote unanimous.

ROADMASTER...Mr. Speicher roadmaster report stated the majority of last month was utilized by ditch cleaning, and township road shoulder grooming. The ball diamonds were lined quite often and grass cut as there were several playoff games by the little league and girls softball teams.

Table tops were replaced at Trailwood recreation site and the foot bridges and playground equipment was repainted. The water softner was serviced three times Truck #5 had the muffler and tailpipe replaced and it was inspected Truck #3 was also inspected.

FIRE CO. ...During the month of June 1993 the Hose company responded to the following emergency calls , 2 motor vehicle accidents, 1 vehicle fire, 1 brush fire , 1 mutual aid call and 1 medical assist to bear creek ambulance. Also the hose company hosted a tanker water supply class given by the state fire academy. This 16 hour program allowed the hose company member to improve their skills in this very important ara. The hose company also provided a fire extinguisher class for the staff of the BEar CReek Health Care Center. The Relief assoc offered Hepatitis Vaccines to all members and many participated. The Hose company is still pursuing dry hydrants. Thomas Austin Chief.

SOLICITOR...

DER UPDATE...Nothing new
CODIFICATION...Awaiting map review
SCHOOL BLINKER LIGHT...ready to file legal action in the next few days.
BEAR CREEK VILLAGE...Mr. Gatcha asked if it would advisable to put something in the paper regarding the comments made by the residents of the village regarding township services. Mr. Gatcha felt most residents don't receive any services other than fire protection. The solicitor felt it is done business already, he wouldn't bother.

JUNK CARS...The solicitor stated he is ready to file an injunction. He needs the zoning officer to go their and inspect the complaint and see if the situation has been corrected.

BERGER COMPLAINT... Mr. Gatcha brought up the matter of the Berger residents being boarded up. He stated he would take pictures of the residents and forward to the solicitor. This was a complaint made by Mr. Gober.

TRAILER....A complaint was received at last meeting regarding trailers on the Marci property. the zoning officer forwarded his finding on the previous complaint. The supervisors felt the Zoning officer should review the matter and update the board as to his findings.

BC 58/10

LAW...The engineering firm of LAW forwarded a letter to the board regarding a request for maps on the municipal park systems. The are a firm that deals with low level radioactive waste. The secretary was instructed to forward a copy of letter the board sent to Chem nuclear systems for their review. The supervisors felt we do not have to provide them with a map since we do not have one.

BEAR CREEK VILLAGE...A discussion was held on firms that may be considered to help us figure out how much money would go to the village. Letters were forwarded to departments for review to find out what income and etc would be involved. Everything would be considered on a % percentage basis.

BLIZZARD....The township recieved $4,708.00 from the commonwealth for 75% of the cost incurred for expenses on the blizzard of 1993.

SOLICITORS SEMINAR....Mr. Gayeski noted seminars a being held in Harrisburg for the solicitors land use and civil rights. This would be forwarded to the solictior.

RECREATION...Mr. Gayeski stated the following information should be put in our next new letter. Our little league won 2 of the 4 games played in the Williamsport playoff. Twelve year old won 1 of 2 games in the wilkes barre rec first time our 12 year olds every won, also the 12year old won first place in their traveling league and also won the tourment 13 wins and no losses.

TAXES...Breakdown 194 MILLS SCHOOL BOARD, 60 MILLS FOR COUNTY AND 5 MILLS FOR TWP AND 1% wage taxes ½ goes to the school board. The township only realizes approx $35,000.00 of which 2/5 goes to the fire department.

ALLOCATION...The secretary stated the fire department did not cash their allocation checks of approximately $10,000 dollars for 2 months. The money sat without earning interest.

SIGN FOUR SEASON MOTEL...Mr. David Daru asked the supervisors for assistance in placing a sign for his business in the township. He felt if he could place a sign other than his location it would give the people notice that he was located within a certain distance. He stated he is only allowed one small sign and this is not enough. He also complained about his taxes. The supervisors suggested he contact the turnpike commission, because our ordinance does not provide for additional sign on this property or other locations if the business does not exist on the parcel advertising the matter. They felt the turnpike could put an informational sign for his assistance. As far as the taxes go he could appeal at the courthouse. Atty Hoegen would research the matter and get back to Daru.

MADIGAN...Mr. Gober asked Mr. Gatcha the status on the sewage complaint of Tom Madigan of Mt. Lake. The secretary would research the matter and report back to Mr. Gatcha.

POSTAL SYSTEM...Mr. Gober asked to be update on the review by the postal system regarding the zip code matter. The secretary stated she contacted the postal system and has not receiveda reply to date.

DRY HYDRANTS..Mr. Clymo asked who determines were the dry hydrants go. The supervisors stated the fire department makes the dicission. Mr. Gober asked how can they put the hydrants on private property. He felt one should also be put on Lake Weiss. The supervisors asked that a written request be forwarded from either Mr. Clymo or Mr. Gober. The supervisors felt they can't tell the fire department to put one anywhere. They are the one who decides where they go.

PAVING PROJECT... The township will open bids for paving project on August 9, 1993 at 7:30 P.M. at the township building.

APPROVAL OF MINUTES: Motion was made by Mr. Gayeski and seconded by Mr. Gatcha to approve minutes of August 3, 199s. Vote unanimous. Mr. Speicher did not vote on the minutes of August 3, 1993 due to his absence at that meeting.

PENN VEST...The township received letter from Penn Vest asking if we have any contruction projects for 1993. Mr. Gayeski stated we have no pending projects atthis time to submit for funds. Mr. Gayeski suggested we put something in writting stating no procedures are currently formulated, but when such projects are considered in the future we will apply. Mr. Speicher agreed we have no project at this time, but stated he did not read it throughly and felt we should discuss at the nect meeting. All were in agreement.

ACT 537..Mr. Gatcha stated he read the township news from PSATS which had articles regarding the act 537 all about funding. He stated there is to much government with DER and many changes are being made. Mr. Speicher stated he felt there are some good agencies within DER departments. All supervisors were in agreement.

PSATS WORKER COMPENSATION... A discussion was held on the new law pertaining to workers compensation act. Mr. Gayeski stated we should send a copy of the correspondence received to the zoning officer and start using the form which is really simple. All fetl this should be part of code. Mr. Gayeski stated it is a state law and this code willget us out of control regarding building responsibilities.

LEG UPDATE....Musto...Mr. Gayeski stated we responded to Musto letter and stated we did not agree with these act tax reform. Mandates we are in agreement with Musto on this. Sharing workers compensation expenditures with vol fire co. Which mean that a percentage will have to be paid by the village.

RECREATION GRANT...Mr. Gayeski suggested we look into the fact that since $15,000.00 we can recieve we may apply for it. Trailwood cost of the expenses occurred. All were in agreement.

TRAILWOOD...Mr. Gatcha asked did we have a sign stating this is a recreation area stating this is a recreation park. He also stated many people use the area.

SCHOOL LIGHTS...The PTO forwarded a letter to the township requesting we maintain the school flashing lights. Mr. Gayeski stated we had a meeting several years ago regarding this matter and three possibilities were discussed. He also discussed the use of an electrician for maintenance. This matter will be discussed in detail later.

BLEECHERS...Mr. Gayeski stated we reviewed the possibility of purchasing bleechers for the recreation area. Game time has a 15 foot 3 row seat a $940.00. This request was made by the soccer and baseball organization. Motion was made by Mr. Gayeski to purchase the bleechers 15 foot 3 row at $940.00. Seconded by Mr. Speicher. Vote unanimous.

BK58/710

COMPLAINT.. Mr. Gatcha stated he had been contacted by Mr. Tony Joseph stating that PennDot removed his pipe and he tried to reach Penn Dot and did not get through. Mr. Gatcha requested we contact Penn Dot regarding this matter.

ABONDEN CAR RTE 115. Mr. Gatcha requested we send a letter to the state police regarding the car on rte 115 by the Texaco gas station. This vehicle has been broken down and destroyed for the past several months andmay be a hazzard to the residence of the township. The secretary was instructed to forward a letter.

CARDARO AND BILLOTTI COMPLAINT...Atty Hoegen contacted the supervisors about two pending complaints made by Mr. Gober. The atty stated since the zoning officer did not file complaint, whoever made the complaint must testify he did see the violations. Mr. Gatcha stated Mr. Gober would testify.

VILLAGE BOROUGH...Mr. Gatcha stated we are not going back to 1991 to consider money we owe the borough as he heard from a source close to the borough. He felt the township should research this matter and consideration should be taken from the date they were considered a borough and not from 1991. He stated we already spent $20,000 in legal fees and should be careful of our next steps. A discussion was held on what services residence receive for their tax dollars. A discussion was held on liquid fuels monies and non twp roads.

The regular meeting of the Board of Supervisors of Bear Creek Township was held on September 7, 1993 at 7;30 PM. Chairman Michael Gatcha presided with Supervisors Tyrone Gayeski and Alfred J. Speicher. Attorney Peter Hoegen was also present. Salute to flag followed.

DISBURSEMENTS...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to accept disbursements as presented. Vote unanimous.

RECEIPTS...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to accept receipts subject to audit. vote unanimous.

EIT COLLECTION... A discussion was held regarding the collection of taxes by the Berkheimer agency and what effect it would have on the township regarding the Borough matter.

ROADMASTER...Grass and brush was cut throughout the month at the recration site and Trailwood park and the road shoulders were also cut. New street signs were installed at Thornhurst road and 2nd ave at Pleasant View Summit and the sign at 115 and Laurel Run Road after an act of vandalism.
Water softners had the filters replaced. Twenty tons of modified stone was placed on the back portion of Forest Park Maintenance was performed on the summer power tools andgrasscutters. Holes were filled in at the recreation site parking lot and the basket ball nets were re installed at Trailwood park. Truck# 4 was inspected and truck #6 had the side boards replaced and the fram steam cleaned.

FIRE DEPARTMENT...during the month of July 1993 the Hose company responded to the following emergency calls: 1 structural fire (false alarm) 1 vehicle fire, 4 brush fires , 3 mutual aid calls and 1 standby at station. These 10 emergency calls required 346 hours of service. The dry weather during July made conditions right for Brush forest fires. The Hose company spent a considerable amount of time dealing with this type of fire. Everyone should be cautious as we get closer to the fall brush fire season. A little carelessness can cause a great deal of damage. With the actual beginning of the Borough of Bear Creek Village, the Hose company will be meeting with officials to discuss there fire protection needs. The township Board of Supervisors will be kept informed of thestatus. At the current time the Hose Company will be providing fire services to the village until all details are worked out.

ACT 44...Workers compenstion..The solicitor reviewed the correspondence received from PSATS felt the form is proper to use. He discussed the act in detail and felt this not only effect new construction but also additions etc and the form should be completed properly.

CARDARO/BILLIOTTI COMPLAINTS...The solicitor presented the prepared legal papers to begin proceeding on the above matters. The supervisors reviewed for varification and signed the papers needed to begin the complaint.

FOUR SESAON COMPLAINT....The solicitor stated he reviewed this matter and felt he can have a sign onproperty but no place else. Mr. Gayeski suggested he change color of his present sign.

DRY HYDRANTS.. The solicitor reviewed this matter and stated we should have an agreement with the property owners to have an easement and concerns should be made that water be kept in the ponds. The township must insist they follow the proper procedures and do this right.

Mr. Gatcha stated the fire company wants to meet with the supervisors to put a building on the vacant lot we own. Mr. Gatcha stated if a building goes up we should have control of it since it would be located on our property. A discussion was held on grants and funding regrding this project and also a long term lease.

Atty Hoegen would contact the atty for the fire department regarding the easements and etc regarding the dry hydrants.

BEAR CREEK BOROUGH.. A discussion was held regarding a legal discription and boundary of the new formed borough.

CODIFICATION...Mr. Speicher stated at the present time Mr. Westawski is working on the zoning of maps and etc.

SCHOOL LIGHTS...A discussion was held on the flashing lights at the Bear Creek Elementary school. A discussion was held regarding the maintenance. The atty advised the supervisors we should contact them in writting regarding this matter. The secretary would forward a letter as instructed by the board.

MARCI...The supervisors stated a complaint was received regarding trailers on the Marci property. They would like the zoning officer to inspect the property again and see that Mr. Marci is in compliance with the township ordinances.

US POSTAL SYSTEM...The secretary stated the postal system contacted her regarding the zip code matter. They would forward information to the township regarding this mater.

SNOWPLOWING STATE HIGHWAYS... The supervisors were in agreement not to snowplow state roads. A motion was made by Mr. Gayeski and seconded by Mr. Speicher not to snowplow state highways. Vote unanimous.

KOZY K..Mr. Speicher read letter from Mrs. Isabell Rhods regarding athe Kozy K grove. She has been complaining to the zoning officer and the state police about the noise going on all day. Mr. Speicher stated the grove has been their for year even before the zoning ordinance. He ghought that perhaps we can handle this by way of nuisance ordinance. The secretary was instructed to forward the solicitor a copy of the ordinance to research this matter and have the solicitor forward a ltr to the owner of the property.

SEWAGE..Mr. Gayeski stated he would like to go with the SEO when he inspects the sewage on the properties as per our resoltuion with DER of June 1992. He stated he only received one complaint last year on this matter. The secretary stated she contact SEO and he did contact DER regarding progress on the resoltuion.

PENN VEST FUNDING ...A ltr was received from Penn Vest regarding request for funding. The supervisors dis discuss this at their meeting of last month and decided to take action at this meeting. Mr. Gayeski felt we should reply to this correspondence and state we have no projects formulated at this time when such projects are considered we would them submitt applications.

GILMORE PROPERTY.. A discussion was held regarding a pending subdivision of this parcel of land. The solicitor stated he had been contaced by the engineer Mr. Gripp on behalf of Mr. Gilmore regarding this matter. The solicitor asked if Mr. Gilmore had a building permit for the existing properties located on these parcels and did not have an answer. The secretary was instructed to contact the zoning officer to find out if permits were issued for the homes located on these parcels.

MURPHY COMPLAINT...NIELSEN... Mr. Murphy stated he was glad to see the township enforcing the township ordinances. He also stated no articles or matter can be put in mail boxes without postage as pertains to state laws.

He asked why the Nielsen matter was not on the agenda. He stated until it was settled it was suppose to be on the agenda. The solicitor stated the final dispostion was provided some time ago. The zoning officer reported to the courts that the requirements of the court had been satisfied and the case was dismissed. The Supervisors stated they did not know the zoning officer filed the final action to the courts. Mr. Murphy was upset regarding this action . A discussion was held on the legality of this matter.

Mr. Murphy stated he is still inviolation. The superviosrs instructed the secretary to forward a letter to the zoning officer instructing him to inspect the property for zoning violations. This is a new matter and must be a new complaint. Mr. Murphy stated it is not his responsitility to enforce the ordinance and no reason why he has to pay an attorney fee to do that. He can sue for damages. The solicitor stated he Mr. Murphy disagrees with the zoning officer he can get an expert of his own and then he can enforce it. He stated with Nielsen matter what he would do is go against the township. (Mr. Murphy stated.)

MACK SUBDIVISION..He forwarded a copy of the modules and mylars for the supervisors to sign regrding his subdivision on Bald mt Road and Plains Twp. The Mylar was signed.

BEAR CREEK BOROUGH...A discussion was held on furture action with the borough regarding possible settlement. A discussion was held regarding hiring an auditing firm to help with this matter. Kronick, kalada,birdy were referred by the solicitor. The supervisors instructed the solicitor to contact the firm and get a proposal. Mrs. English an auditor brought up about the removal of street lights at the village. The supervisors stated they did intend to do this, but not until a request was made by the village for settlement.

September 27, 1993 SEMI MONTHLY MEETING

The Semi monthly meeting of the Board of Supervisors of Bear Creek Township was held on September 27, 1993 at 7:30 PM. Chairman Michael Gatcha presided with supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

Transco...Ltr was received from the conservation district regarding Transco earth moving project for waste water. This matter was discussed by the Board and they felt we should contact the county informing them that Transco was not located in our township.

MINUTES...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve minutes of August 30, 1993 and September 7, 1993 as prepared. Vote unanimous.

ZIP CODE.. Correspondence was received by the township regarding steps and procedures that must be taken by the township in order to change zip codes in our township. The secretary was instructed to forward information to the solicitor for review.

WORKERS COMPENSATION... The secretary stated we should have a list of doctors to refer our employees and volunteers should something happen to them. This was recently noted at a seminar attended by the secretary and supervisor Gayeski. The secretary would contact the county for their list for the supervisors review.

PREVAILING WAGE... At the present time a legislature is being reviewed regarding possible change in the $25,000 rule. PSATS felt many comments were received regarding the restrictions on the rule. PSATS informed the municipalities to follow the present rule until this matter is reviewed by the legislature and etc.

DOG SHOW..Mr. Gayeski read letter from Back Mt Dog Show organization and stated a check in the amount of $150.00 was donated to the baseball organization. A copy of letter would be forwarded to Mrs. Novak and Mr. Malone.

COMPLAINT...A ltr was received regarding various complaints at a residence located on the lower part of Bear Creek Blvd. This matter would be referred to the SEO for inspection and research.

SOCCER REQUEST... A ltr was received from the soccer organization regarding fencing at the Trailwood field. The matter was discussed and Mr. Speicher roadmaster stated he would contact the road crew for assistance.

GILMORE SUBDIVISION...A ltr was received from Mr. Thomas Gripp representing the Gilmore subdivision. He stated at the present time he is looking into the matter of sewage permits for structures located on the pending subdivision.

SCHOOL BLINKER LIGHTS...Mr. Speicher stated he did check into the responsibility of schools with respect to the flashing lights. He stated other municipalities maintain the lights. The township will now assume the responsibility of light maintenance at the Bear Creek School.

PENN DOT RTE 115 MEADOW RUN ROAD...Mr. Gatcha stated he would like to forward a letter to Penn Dot regarding the roadway near the flashing light for an inspection and consideration for possible restructure.

ZONING...Mr. Gatcha stated the zoning hearing board schedule two hearings for the same matter and felt it was not necessary. A discussion was held.

SIGN...Mr. Gatcha stated stated Mr. Getz was instructed to take down a sign in front of his home that he is presently working on. He is a contractor and he is allowed to do this type of procedure. This matter was discussed and the supervisors were in agreement.

PAVING PROJECT..A discussion was held regarding the present paving project at the township fire house located on Rte 115. Mr. Speicher stated prints were not forwarded to the contractor and the pavement was installed as per quanity. He felt all involved were at fault the contractor, roads and ground foreman, secretary and himself. He stated he did meet with the contractor prior to the job and felt he understood the project. He felt it is wider than it should be . He informed the secretary to contact Penn Dot to come down and make and inspection at this site.
Mr. Wasilewski Jr was concerned regarding the safety of the his driveway now that the fire house has a 72 foot driveway. He felt it should be back to the size it was in the begining 26 feet. He stated that his children get on the school bus at his driveway and it would be a free for all now that the whole area is paved. He also stated no permits were issued regarding this project. Mr. Gayeski stated they did not need permits because they were the township. Mr. Wasilewski jr stated this is a private driveway and not a township driveway. Penn Dot would be contacted.

PERMITS...Mr.Speicher instructed the secretary to forward a ltr to the solicitor regarding the townships responsiblity of permits for their projects. He wanted to know if we are required by the ordinance to obtain permits.

The regular meeting of the Board of Supervisors of Bear Creek Township was held on October 5, 1993 at 7:30 P.M. Chairman Michael Gatcha presided with supervisors Tyrone Gayeski and Alfred J. Speicher. Salute to flag followed. Attorney Kelley represented Attorney Peter Hoegens office.

DISBURSEMENTS: Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve disbursements as presented. Vote unanimous.

RECEIPTS...Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve receipts subject to audit. vote unanimous.

FIREMENS RELIEF...Mr. Gayeski noted that a check was received and forwarded to the Bear Creek Township Volunteer fire department in the amount of $12,668.69 for the firemens relief fund which comes from the commonwealth. Next year it will effect the allocation due to the change in population and division of land regarding the Bear Creek borough.

ROADMASTER REPORT...The wheelchair ramp was replaced at the side door of the community building. Additional brush was cut at trailwood Park and routine grass cutting took place. Oneschool sign was installed on #115 and modified stone was spread on Old Ford Road in White Haven Poconos.

The shoulders were cut in Forest Park and East and West Parkway was paved. The salt pad a section near the refreshment stand and a portion of the Trailwood Fire station was also paved.

A new door was installed on the closet of the refreshment stand and a Louvre cover was also replaced after vandals destroyed them.

Truck #4 had the brakes lines and sideboards replaced. Trucks #5,6, and 7 had the cabs waxed in readiness for winter. And Truck #7 was tuned up and had the alternator replaced; the fire rims were also painted.

FIRE CO REPORT..During the month of September 1993 the HOse company responded to the following emergency calls (by Dispatch type); 3 Structural fires , 1 vehicle fire and five motor vehicle accidents. Theese 9 emergency calls required 60 hours of service One of the emergency calls was in the Borough of the Bear Creek Vilalge. Fire prevention week is October 3rd through the 9th. The hose company will be visiting the Bear Creek Elementary school. This would be a good time for all to change the batteries in your home smoke detectors and for nay one that does not have one to purchase this inexpensive lifesaving device.

FIRE CO EASEMENT CONTRACT...The supervisors were to meet with the fire department and their representatives regarding the pending issue of the dry hydrants and easement contracts.

CARDARO/BILLIOTTI COMPLAINTS...At this time the supervisors were requested to sign varification papers signed and a check for filing fees.

BEAR CREEK VILLAGE BOROUGH AUDIT...The secretary stated atty Hoegen would be forwarding papers necessary for the Boards review regarding a contract for work relating to an audit on the bEar Creek Borough matter.

SCHOOL LIGHTS...Mr. Speicher stated he did research this matter and found out many other schools do maintain the school lights. Mr. Speicher felt we do not have much of a choice regarding care of the lights. The township would be taking over the maintenance of the lights at this point.

NIELSEN COMPLAINT...Atty Kelley stated they reviewed the Zoning officers findings and also feel that Mr. Nielsen is not in violation of the township ordinance.

DRAG LODGE... A discussion was held on this matter regarding shooting and dumping at this location. Mr. Gayeski felt someone should contact DER regarding any violation on this parcel.

MARCI COMPLAINT..A discussion was held on the complaint received regarding a possible zoning violation on the Marci property Bald Mt. Road. Mr. Gayeski felt we should forward all matter to the solicitor for review. Mr. Marci wanted to know who made complaint. This would be researched. He did state he is repairing the trailers and taking them down South . He stated he would be working on these trailers for another two years. He stated he ownes the trailers.

MUSTO.. 100% of rural residents depend on ground water . There are approximately 1 million water supplies (private suppliers) twenty thousand new wells every year Pennsylvania withdraws nearly eight hundred million gallons of ground water per day. Mr. Gayeski concern was due to the new consideration for our subdivision ordinance requiring more than one acre for development.

WHITE HAVE POCONOS ROADWAY...Representatives from the White Haven Poconos development asked for an update on the progress on the roadway. Mr. Speicher stated he contacted Mr. Popple and feels it is an matter that needs more research. A discussion was held on this matter.

NEWSLETTER... Will be on the streets this week.

BEAR CREEK TOWNSHIP SUPERVISORS

BCS 6/10

The semi monthly meeting of the Board of Supervisors of Bear Creek Township was held on October 25, 1993 at 7:30 PM. Chairman Michael Gatcha presided with supervisor Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

MINUTES: Motion was made by Mr. Speicher and seconded by Mr. Gayeski to approve minutes of September 27 and October 5, 1993 as prepared. Vote unanimous.

BEAR CREEK BOROUGH... Discussion was held on the matter of a audit being performed regarding settlement of the Bear Creek Borough matter. The supervisors felt this would not be necessary due to discussion with the representative from the Borough and the work the secretary had prepared.

PP&L RTE 115 TRUCK BAN... A letter was received from PP&L regarding the necessity of the PP&L trucks traveling on Rte 115 when working in the township. They felt they should be exempt from the rule put down upon the township regarding trucks traveling on RTe 115. Mr. Speicher felt there was enough people on the Laurel Run road and have a petition prepared to request that truck use 115 now that the expressway has been complete. Also there was a concern regarding the children at the recreation site on Laurel Run Road. Mr. Gayeski felt this was just an informational letter at this point.

FIRE HOUSE WHITE HAVEN POCONOS...The township received a letter from the White Haven residents requesting use of the township fire hall for Arts and crafts for the children in their area. The township felt they must have some kind of insurance whether it be from the Association or other means and also a contact person for maintenance and responsibility for possible damage to the building. They were also concerned about the heating of the building. A letter would be sent regarding a response to their request.

BEAR CREEK BOROUGH..A motion was made by Mr. Gayeski to have the solicitor prepare a proposal for the settlement of the Bear Creek Borough matter which was discussed at the October 19, 1993 meeting. Motion seconded by Mr. Speicher. Vote unanimous. The secretary would contact the solicitor to have this prepared for our next meeting.

BALD MT RD...Mr. Gatcha asked we contact Penn Dot for additional signs on the Bald Mt. Road informing motorists that the road is a winding road and proceed with caution. He felt some kind of signing should be put up all the way to the Suscon Rd. He had been contacted by residents on this complaint.

SIGNS..Mr. Clymo asked why the sign on Ridge road was installed. Mr. Gayeski explained why it was installed at that location. Due to complaint received from the Musto who reside there.

SIGNS..A resident requested signs be put up on Pine road indicating that children play . Mr. Speicher stated he would contact the road crew to install them as per request.

RECREATION...Mr. Gayeski stated an outstanding job has been done at the recreation filed on Saturday. The Stand has been cleaned for the season. Job Johnny will be removed next week.

FENCE...Mr. Speicher stated the road crew contacted Mr. Giza regarding installation of snow fence at the soccer field. Mr. Giza stated he was under the impression that a regular fence would be installed. Mr. Speicher was not aware that the supervisors had agreed to that. Mr. Gayeski stated he told them sometime in the future this would be considered, but he did not tell them that a regular fence would be installed at this time.

SENIOR CITIZENS DONATION..Mrs. Oldershaw asked if the senior citizens would received their $300.00 donation this year. The supervisors agreed it would but with recent changes with the Village situation all donations would be reviewed for next year budget.

The Regular meeting of the Board of Supervisors of Bear Creek Township was held on November 1, 1993 at 7:30 P.M. Chairman Michael Gatcha presided with Supervisors Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

DISBURSEMENTS: Motion was made by Mr. Speicher to approve disbursements as prepared seconded by Mr. Gayeski. Vote unanimous.

RECEIPTS... Motion was made by Mr. Speicher and seconded by Mr. Gayeski to accept receipts subject to audit. Vote unanimous.

Codification..A representative from August Engineer was present to update the supervisors as to progress made on the Zoning maps for the codification. Mr. Westawski would be present at the next meeting to discuss this matter further.

ROADMASTER REPORT...Five ton of modified stone was graded and rolled at the salt pad. All grass was cut, hopefully for the last time this year. Drainage pipes were installed at Trailwood Park.
Pot Holes were patched throughout the township and shoulders were installed along the newly paved roads in Forest park. New ditch posts were installed at Forest rd and Parkway Drive and at Pike Road.
Road cracks were beinging to be sealed with tar. A new livestock crossing and school blinker times sign were installed.
Plastic tarps were installed on the gates of the salt barn. The new bleachers were delivered, assembled and stored for next spring.
The roller received a new battery, the backhoe had the antifreeze chared, truck #4 had the antifreeze changed and the plow was sanded and painted. Truck #5 had the oil changed and filter and antifreeze changed. Truck #6 was inspected, the plow painted and a new cutting edge and rubber edge blade was installed.

SCHOOL BLINKER...A discussion was held regarding the posting of times at the school blinker lights. The atty felt there could be a problem with someone being issued a ticket at the lunch time and that not being postes. The supervisors decided to take the signs down on the posting of time blinking.

CARDARO.. The papers were filed and Mr. Cardaro must answer complaint.
CALBE TV...A discussion was held regarding the regulations and FCC. The supervisors felt they would hold up on action regarding our interest to become certified until more research was made.

BEAR CREEK BOROUGH... MOTION: In accordance with the law of the commonwealth of Pennsylvania for the creation of a Borough, I do hereby move that the Township of Bear Creek enter into an agreement with the Borough of Bear Creek Vilage for the Adjustment of the property of Bear Creek Township, and to provide for the following agreement to be executed by the Secretary on behalf of the township and filed in accordance with the appropriate statues.

AND now, the township of Bear Creek And its Borough of Bear Creek Village do hereby acknowledge the adjustment and apportionment of the property of Bear Creek township as held on this date of the incorporation of bear Creek Village Borough as follows:

1. The total property, real and personal, held by Bear Creek Township as of November 5, 1991 was $468,750.00
2. The assessed value of the taxable real estate within the Borough of Bear Creek Village is $1,401,410.00.
3. The assessed value of all of the taxable real estate with the township of BEar Creek on November 5, 1991 was $8,688.000.00
4. The proportion of the tax assessment of the real estate within the confines of Bear Creek Village Borough as it applies to the total assessment of Bear Creek Township is sixteen (16%) percent.
5. The total share of Bear Creek Village Borough is $75,000.00 which is 16% of $468,750.00.
6. The Borough of Bear Creek Village and the township of Bear Creek accept the amount of $75,000.00 as the amount to be paid by the township of Bear Creek to the Borough of Bear Creek Village in full consideration of distribution of the assets in accordance with the Borough Code of the Commonwealth of Pennsylvania, and no other claim shall be made one against the other for anything whatsoever occurring prior to the approval hereof by the parties.

The motion was made by Mr. Gayeski and seconded by Mr. Speicher. Vote unanimous. Discussion was held on this matter and explanation was held regarding the figures.

CONSTRUCTION... A ltr was received from Cynthia Mitchell regarding the new construction of their home and they were concerned about safety, vandalism and theft. They wanted to know what local law enforcement procedures would cover their request. The supervisors instructed the secretary to forward a letter to her informing her to contact the state police, we have no ordinance to cover her request.

VOTING.. Adiscussion was held on the voter registration and district.

GUARDRAILS ...Mr. Magdon stated Penn Dot still did not clean the ditch on the state highway in front of his home. A discussion was held.

NOVEMBER 22, 1993 SEMI MONTHLY MEETING

The semi monthly meeting of the Board of Supervisors of Bear CReek Township was held on November 22, 1993 at 7;30 PM. Chairman Michael Gatcha presided with Supervisor Tyrone G. Gayeski and Alfred J. Speicher. Salute to flag followed.

GRANTS: Ltr was received from Rep Tigue regarding our request for assistance in applying for grants to construct a fire house on the property adjacent to the township building on Rte 115. He stated there are no grants available at this time and enclosed matter for review regarding loans at 2 %. This information would be forwarded to the fire department.

BEAR CREEK VILLAGE BOROUGH SETTLEMENT: Motion was made by Mr. Gayeski and seconded by Mr. Speicher to pay Bear Creek Village a settlement of $75,000.00 as per solicitors review as per adjustment of property previously read at public meeting of Bear Creek Township which states that this is the final settlement and no additional request be made by the borough of Bear Creek against Bear Creek Township. Vote unanimous.

BLINKER LIGHT...A hearing is scheduled for November 30,1993 at magistrates office regarding the accident which destroyed the school light on Rte 115 by the Oldershaw residence. Any supervisors could attend but it is not necessary.

LIONS CLUB...Ltr was received from the Bear-Bucks Lions Club regarding the possibility of erecting a storage building and picnic pavilion in the township. The first choice of location would be the Trailwood recreation Park. Mr. Mark Wende represented the Lions Club at this meeting. He stated at the present time this is just an exploratory and fact finding position. He wanted to know if the supervisors were in agreement for the construction of this proposed facility. Mr. Gatcha was concerned about the vandalism. Mr. Wende stated it would be probably out in the front and people would see it. Mr. Gayeski stated he heard conflicting opinions from the Lions club regarding this project one being the information in this letter and other sitting back their waiting for this approval kitchen, restroom facility and septic tank. Mr. Wende stated this is all news to him no plans at to what Mr. Gayeski stated. Mr. Wende stated anyone stating things like that does not know what they are talking about because their are no plans at the present time and that is why they asked to meet with the supervisors. Mr. Gayeski had a concern about the possiblity of wetlands and the size of building. Mr. Wende stated he did contact the authorities regarding the possibility of wetlands and a survey would need to be completed. A discussion was held regarding wetlands. Discussion was held regarding the type of the building to be constructed. Mr. Gayeski was concerned about the neighbors opinions stated to him. They would meet with the supervisors regarding further discussion at the next meeting.

COOPERATIVE PURCHASING ...RESOLUTION 1-93------ Motion was made to pass resolution 1-93 regarding participation in the Commonwealth of Pennsylvania Cooperative Purchasing program. Motion was made by Mr. Speicher and Seconded by Mr. Gayeski vote unanimous. (The township can purchase materials equipment and etc through this organization)

FIRE COMPANY HIGHWAY ACCESS RTE 115. ..Ltr was received from Penn Dot regarding no valid highway occupancy permit for the Volunteer fire house on Rte 115. This letter was also forwarded to the fire department for their attention. Items NO. 2 and 3 were major safety concerns and sould be corrected as soon as possible.

BOOK 270

HYDRANTS...LAKE WEITZ...Mr. Gayeski stated he talked to individual regarding having his property available to the department for hydrants.

RTE 115...Mr. Gayeski stated he would like to forward a letter to Musto regarding review of Penn Dots policy to close down the entrance exit to 81. A discussion was held on this matter. Mr. Wende asked if there would be advance warning on the light that would be place at the Geisinger entrance. All in agreement to forward ltr to Musto.

MEADOW RUN ROAD... Mr. Wende asked about the intersection Rte 115 and Meadow run Road. Mr. Gatcha stated he brough this up at several meetings. A ltr would be forwarded to Penn Dot.

LAUREL RUN ROAD... A discussion was held on truck ban on Rte 115 relating to PP&L truck traffic. Concern was discussed again about the safety of the trucks Mr. Gayeski stated they use the Laurel Run Road because he can hear them shifting in front of his home everytime they travel the the Laurel Run Road.

CODIFICATION MAPS...A review of the pending maps were made. A representative from August Engineers was present. He stated they would be completed within the week and forwarded to the township for final review.

The Board of Supervisors regular meeting was held on December 7, 1993 at 7:30 PM. Chairman Michael Gatcha presided with supervisors Tyrone G. Gayeski and Alfred J. Speicher. Attorney Peter Hoegen was also present. Salute to flag followed.

MINUTES: Motion was made to approve minutes of October 25, November 1, 1993 and November 22, 1993 as prepared and corrected. (November 1, 1993 correction five ton of modified was graded and rolled at the recreation site parking lot and not the salt pad) by Mr. Speicher. Seconded by Mr. Gayeski. Vote unanimous.

DISTRIBURTIONS...Motion was made to approve disbursements as prepare by Mr. Speicher seconded by Mr. Gayeski. Vote unanimous.

RECEIPTS...Motion was made by Mr.Speicher to approve receipts subject to audit. seconded by Mr. Gayeski. Vote unanimous.

ADDITIONAL DISBURSEMENTS...Motion was made to approve additional disbursements as presented, seconded by Mr. Gayeski. Vote unanimous.

ROADMASTER REPORT...Swings and all other recreational equipment was stored for the winter and five roof shingles were replaced on the refreshment stand. Also the picnic tables were stacked.

Watch children signs were installed at Balsam and Pine roads in Trailwood. Ditch posts were replaced where needed trhoughout the township. The school blinking time signs were removed from the warning blinkers.

Leaves were cleaned from the culverts and ditches were needed. Modified stone was added to some of the shoulders on E. Parkway andmodified was also installed on Loop Road in Forest Park at the approaches to East and West Parkway. Three ton of material was spread on two separate days and on icy spots. All of the anti-skid and salt was delivered, mixed and placed in the storage building. Truck #6 had the antifreeze changed and the spreader painted and truck #7 had the cutting edge on the plow blade replaced and routine maintenance was performed on the hydralics.

FIRE CO... the following for themonth of November 1993 1 structuralfire, 1 vehicle fire, 1 motor vehicle accident and 2 mutual aid calls. These emergency calls required 94.75 hours of service. One of these emergency calls was in the Borough of Bear Creek Village. They thnaked the supervisors for allowing the hose company to use the storage trailer located at the recreation site parking lot for training. This training allowed members to practice search techniques as well as other skills in an unfamiliar enviornment. I would like to continue theoccasional use of the recreational site area for training when there is no conflict with other users. I would like to do such things as motor vehicle accidents and vehicle fire training . I will be in touchwith the supervisors during the planning stages of future events and hopefully we can continue this cooperative effort.

FIRE CO...During themonth of Octorber 1993 the Hose company responded to the following emergency calls by dispatch type. Four structural fire 1 vehicle fire , 3 motor vehicle accidents and 5 brush fires. These 13 emergency calls required 314.5 hours of service. Three of these calls were in the borough of Bear Creek Village. One of the structure fires was a loss of a home on Old East End Blvd. The structure was wellinvolved when the first units arrived and took several hours to bring under control. Many mutual aid depts assisted withthis call. Though the continued support of a mutual aid system the Hose company can continue to provide high quality fire and emergency response. On Saturday November 6, 1993, the Hose company will be assisting in the installation of a dry hydrant at the White Haven Road and Route 115. The funds to install it are being provided by Mr. Williams Haas. Even though it is located in the Boro, it will be useful for all residents in the area.
