Subdivision Applications

Major Subdivision/Land Development

\$350.00 plus \$50.00 per lot for the base application fee. The applicant/developer shall also be responsible to reimburse the Township for the cost of all professional consulting fees incurred by the Township for the administration, processing and the review of the application, plan and any related documentation, along with any required site inspection work for required improvements.

The applicant will also be responsible for all engineering testing, and inspection required in the approval process of a Major Subdivision Plan.

The applicant shall be required to enter into a written agreement which guarantees the payment of all professional consulting fees. The Township shall forward all such invoices to the applicant/developer who shall make direct and prompt payment to the Township of Bear Creek within thirty (30) days from the date of invoice.

Minor Subdivision/Land Development

\$200.00, plus \$25.00 per lot for the base application fee. The applicant/developer shall also be responsible to reimburse the Township for the cost of all professional consulting fees incurred by the Township for the administration, processing and the review of the application, plan and any related documentation, along with any required site inspection work for required improvements. The applicant will also be responsible for all engineering testing, and inspection required in the approval process of a Minor Subdivision Plan.

The applicant/developer shall be required to enter into a written agreement which guarantees the payment of all professional consulting fees. The Township shall forward all such invoices to the applicant/developer who shall make direct and prompt payment to the Township of Bear Creek within thirty (30) days from the date of invoice.

Construction: All construction work within the township must be duly recorded by filing a permit and paying a permit. The payment of the permit fee will be by all contractors performing any type of construction work within the township limits, and will be on a pro-rata basis. Should construction companies use Township Roads to access construction sites, they shall be required to file a deposit with the Township's local zoning officer an amount of One Thousand (\$ 1000.00) which will be returned at the conclusion of the job after an inspection of the roads by the Local Zoning Officer. The

following fees shall be paid for all permits issued by the township for construction work:

Miscellaneous Permit Fees:

\$25.00 for work up to \$3000.00
\$ 5.00 for each \$1000.00 of work over \$3000.00()

Fees relating to Zoning Appeals:

1. Special Exceptions \$300.00
2. Variances \$300.00

The \$300.00 fees set forth herein cover the cost of the initial hearing only. The administrative costs for any continuances beyond the date of the initial hearing and all subsequent hearings shall be split equally between the Board and the applicant, including, but not limited to the stenographic costs, the secretarial costs, notices and advertisements. In the event that an applicant requests a copy of the transcript, the entire cost of the transcript shall be borne by the applicant.
